EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment of the claims filed on 06/14/2004 was given in a telephone interview with Ms. Karen G. Hazzah on 12/29/04.

The application has been amended as follows:

In claim 11, line 1 "calls" was changed to --call--.

In claim 11, line 3 "establishing a telephone call between a caller and a member of a subscriber" was changed to --establishing said telephone call between a caller and a member of multi-member subscriber --.

In claim 11, lines 12 "re-terminating the call from the component" was changed to -- re-terminating the call from the component to said equipment--.

In claim 21, line 10 "reviewing, by the component, the member information of the subscriber list" was changed to--reviewing, by the component, the member information of said intended member of the subscriber list --.

In claim 21, line 12 "re-terminating the call in accordance with the member information" was changed to -- re-terminating the call in accordance with the member information to said subscriber--.

Art Unit: 2645

In claim 26, line 13 “re-terminating the call in accordance with the member information” was changed to-- re-terminating the call in accordance with the member information to said equipment--.

Reasons for Allowance

2. The following is an examiner’s statement of reasons for allowance:

Claims 1-33 are allowed.

Regarding claim 1, prior art fails to teach, after having all the limitations, that the service node re-routes the forwarded call to the subscriber equipment.

Regarding claim 11, prior art fails to teach, after having all the limitations, re-terminating the call from the component to the equipment.

Regarding claim 21, prior art fails to teach, after having all the limitations, re-terminating the call in accordance with the member information to the subscriber.

Regarding claim 26, prior art fails to teach, after having all the limitations, re-terminating the call in accordance with the member information to the equipment.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
